Thanks for the kind words and thanks for being available. May need some of you help with some of the questions raised, though you have already provided some good answers. Sorry you missed your meeting because of the tire. Glad you didn't have to change it yourself.

John

Hi John and Sreedeevi,

Hope you two had a safe trip back from Bad River. Thanks for inviting me to the public hearing. It was easy work - I didn't have to answer much on water quality standards! Anyway, even though it was a quick trip for me, it was nice to get out of the office and catch up with tribal folks in the area. I also found it interesting to see the process NPDES goes through on potentially contentious issues. Your branch did a great job in organizing the hearing and carrying it out.

Take care,
Kathy
